# Aviation Insurance

Honan Aviation, a specialist division of Honan Insurance Group Pty Ltd, was created to service the specialised needs of our Aviation Clients. Aviation is a very diverse and challenging insurance product as any to be found world-wide. Aviation insurance should only be managed by personnel working in the aviation insurance industry day-to-day.

Australia has one the widest range of regulated aviation activities world-wide. Honan Aviation is capable of servicing your needs by providing you access to professionals who have many years experience in Aviation Insurance plus solid background in General Insurance so as to stay abreast of your insurance needs:

## Honan Aviation specialise in:

- Aerial Agriculture - Fixed and Rotor Wing
- Airport Catering, Logistics and Refuelling
- Aircraft Maintenance Operations (LAME)
- Aviation Associations
- Hot Air Balloons - Commercial and Private
- Flying Schools - Fixed and Rotor Wing
- Charter Operators

## In addition, we service all owners of:

- Airlines
- GA Aircraft including Fixed Wing Piston, Helicopters, Corporate Jets and Turboprops
- RAA Aircraft including Experimental

## We specifically act for all members of:

- The Hang Gliding Association of Australia Inc for both Powered and Non Powered units  
We look forward to assisting your Aviation Insurance needs and understanding your particular circumstances
