

Corporate Insurance

Honan provides advice and services on a range of insurance products to meet the requirements of both commercial and corporate businesses. Some of the specific products we offer include:

- Directors & Officers
- Professional Indemnity
- IT Liability
- Public Liability
- Crime
- Bonds
- Intellectual Property
- Property
- Trade Credit
- Environmental Liability
- Control of Well
- Corporate Travel
- Goods in Transit/Marine
- Commercial Motor
- Product Liability and Recall
- Machinery Breakdown
- Electronic Breakdown
- Contract Works / Construction
- Tax Audit
- General Property
- Umbrella Liability
- Product Guarantee

Honan over the years has developed many strategic relationships with insurance companies and underwriters to source cover that more than meets the needs of Australian businesses.

We view our relationship with clients as a partnership where our advice as to how to structure a Portfolio of Insurance Products is on the basis as to how we would buy insurance if we were the client.

We foster and encourage direct interaction between clients and their insurers. We support this with consultancy services including risk management, engineering and workers compensation services.
